

The **Office of the Head of the [Civil Service \(OHCS\)](#)** wishes to notify all successful candidates in the first phase of the online graduate recruitment that the online examination is scheduled to take place on:

- **Date: Friday 2nd August 2024**
- **Time: 10:00am to 12noon prompt**

Successful graduate applicants will receive an SMS notification with further examination details.

The Ghana Civil Service is looking for employees who can investigate a problem and find the ideal solution promptly and efficiently. The skills required to solve problems are known as analytical skills.

Analytical abilities are required for the majority of jobs. You utilize them to solve issues that have several variables or do not have clear answers.

Analytical skills include communication, creativity, critical thinking, data analysis, and research.

If you are one of those writing the examination, you can find below 50+ sample questions for the Ghana Civil Service exam, along with their answers. These questions will guide you and give you an idea of what the examination will look like.
